

Les Tournesols/ Sunflowers Bilingual Montessori Centre Newsletter May 2018

Dear Parents,

Finally it's beginning to look a lot like spring. I hope we do not see any snow anymore. Lately we are spending our time outside to notice how rapidly nature is changing during the transition into summer. Mother's Day is on May 13th, Sunday. We will be having a Mother's Day celebration on Friday May 11th with fresh coffee and donuts for the parents. We would like to have mother and child pictures. We will be planting seeds inside little pots to observe how they grow and exploring insects at the end of the month.
